Montgomery County Community College’s

- This themed issue not only explores gender identity (what it means to be female and male) and relationships (home, work, love, and play), but it encourages other creative reflections on gender as well.

- Poetry should not exceed two single-spaced, typed pages, and prose works should be kept to 2,500 words or less.

- Please provide your name, e-mail/phone number, and a three-line bio with the submission.
